

**The Big Idea**

**What is the weather like today? Sun, rain, wind, snow - which weather do you like best and why? What do we need to wear for different types of weather? Can you name the season? How do you know? What signs can you see?**

**We will be learning both indoors and outdoors, using our outdoor classroom every week to explore the environment and look for seasonal changes.**

Through our assemblies, circle times and PHSCE, we will be thinking about

- Our Golden Rules
- Classroom Promises
- The need for rules
- How to identify dangers
- How accidents happen
- How to keep safe
- My address

In Science, we'll be

- Observing the weather and recording it
- Thinking about the seasons and how the weather changes throughout the year
- Learning about Autumn
- Talking about how day length changes

In Maths, we'll be learning to;

- Count to 10, forwards and backwards
- Count, read and write numbers to 10
- Identify numbers 1 more or 1 less
- Addition and subtraction within 10
- Use addition (+) subtraction (-) and equals (=) signs
- Complete number problem solving skills

In Geography, we'll be;

- Talking about the daily weather
- Thinking about Autumn and Harvest
- Things to see and do in Bridlington
- Our addresses and where we live

In R.E. we'll be thinking about

- Looking at you, looking at me
- Harvest

In Computing, we'll be learning;

- How to log on and log off the computer
- How to type in a password
- To use a mouse and an ipad
- Colour Magic to create an Autumn tree

In P.E., we'll be doing

- Daily Activate
- Large ball skills
- Games
- Dance with First Steps Dance Coach

In English, we'll be reading and listening to

- Daily 'Read Write Inc' sessions
- Reading stories and poems linked to the Weather, Autumn and Harvest
- Non-fiction books to find out about the weather and seasons
- Continuing to practise our handwriting using the correct letter formation

In Music, we'll be exploring

- Interesting Sounds
- Listening games
- Musical instruments

**How you can help at home**

- Talk to your child about Autumn time and the weather when you are out and about!
- Talk to your child about Bridlington and your address
- Continue to read as often as possible with your child

**Thank you!**

In Art and Design, we'll be

- Experimenting with colour
- Colour mixing, to make Autumn shades
- Making vegetable soup, linked to Harvest
