

Hello lovely Puffins!

I hope you are all doing well and are keeping happy and healthy at home.

It has seemed a long time since I have seen your happy smiley faces and I am missing you very much! I think about you every day and imagine the fun things you have been getting up to since I saw you last.

I hope you have been stretching your brains, keeping busy, keeping active and that you are being kind and helpful to all of your family.

I have been trying to do the same, making sure I have a plan each day of what I'm going to do. I make sure I get my school work done first, and then I have been going for walks with my family and our dog Maizy. She is enjoying the attention she is getting with all the extra cuddles from us all. Maizy loves catching a ball, and also has fantastic football skills – she uses her paws and nose to pass the ball, she's amazing!

I have started a very tricky jigsaw and have enjoyed trying to finish it in the evenings. It is huge and takes up most of the space on the kitchen table so my family is keen that I finish it soon!

I am trying to keep as active as possible, as I ate far too much Easter chocolate and we are baking too many goodies and I am trying to stay as healthy as I can. I know some of you have been enjoying the PE lessons with Joe Wicks, and that you have been finding lots of things to do online to keep you busy. Keep it up, you never know what extra skills you might learn during this time. When we are all back together again in Puffin class, hopefully soon, you can share your news with everyone. It is a good job that we have had some sunny weather, it means we can enjoy being outside more and I don't really like getting wet on dog walks.

Though it's a bit different to what we were expecting, this is a good time to enjoy the things we would normally be too busy to do if we were at school all week.

I'm looking forward to you telling me how you have had time to do some things like this:

- Being a VIP (Very Independent Person)
- Knowing more about birds and plants
- Learning how to help around the house
- Becoming a Tech Wizard
- Being more creative
- Becoming a good cook
- Learning to cooperate with people well
- Being extra kind and helpful.

Remember, you can still do your best and be your best no matter where you are and we look forward to hearing all your news when we are all back in Puffin Class again.

Keep safe, and remember to wash your hands often and look after everyone at home!

xx Mrs Waller and Mrs Hutson xx
