

Hello Seagull Class!

I hope you are all staying healthy and happy during your time at home. I am missing you all lots and can't wait to hear all the exciting things you have been getting up to!

I have been spending some time at school looking after children whose parents have been at work. We've been doing lots of fun things and spending lots of time outside in this beautiful weather. We've been enjoying PE lessons with Joe Wicks on YouTube. They can be a little tricky but they are so much fun! I always ache afterwards; the children have been much better than me. We've also drawn and painted rainbows at school. One day, we even made a mosaic rainbow! Have any of you made rainbows and put them in your window? I bet they look lovely. I know you will all be doing lots of creative things.

Whilst at home, I do my school work in the morning and then I like to take my dog (Louis) for a walk. He loves catching sticks - sometimes he even jumps in lakes to get them! It has been nice to spend so much time outside. I have been eating my lunch in the garden with Louis and it's like we're having our very own picnic. I have to keep an eye on him so he doesn't pinch my food! I have even been eating my lunch outside when I'm at school as the courtyard gets very warm. Maybe you could eat your lunch outside. You could eat with your parents and siblings or you could take your favourite teddy bear!

I have also been reading lots of books and I hope you have too. I haven't been reading 'The Enchanted Wood' without you all though as I know you all want to know what happens next!

One of my other favourite things to do is to watch Chester Zoo on YouTube. They have been doing virtual zoo days where you can watch and learn about lots of different animals. I love seeing what the giraffes are getting up to. As you all know, they're my favourite!

I've been doing lots of baking at home too and I've made some delicious cakes. Now would be a really good time for you to improve your baking skills or help your adult to cook. I think I need to start making healthy treats though as my mum and I are so full up on Easter Eggs and cake.

Until we see each other again, lots of celebrities want to be your teacher! They must know how important you all are. Why don't you try PE with Joe Wicks, Story-time with David Walliams or Dance with Oti Mabuse? I know we have lots of super dancers in Seagull Class!

Mrs Tinsley and I are both looking forward to seeing you and hearing all your news when Seagull Class are back together. We can't wait to see what new skills you've learnt. Keep safe, keep washing your hands, and keep smiling!

Miss Jones and Mrs Tinsley xx
