

Year 1 Easter Holiday fun!

Here are a few fun activities that you could try over the Easter holidays. You may have lots of your own ideas that you would rather try.

Parents, we would love to hear how your child is getting on. If they have done anything exciting or that they are particularly proud of, please email it to school or put it on our school's new Facebook Page.

Sending you all our Easter wishes,
Year 1 team.

SPRING

Can you go outside in your garden or look out of your window and see how many signs of Spring you can see? Think about any other changes which happen in Spring.

You could draw and label or write about what you can see.

Think about the following:

the weather,

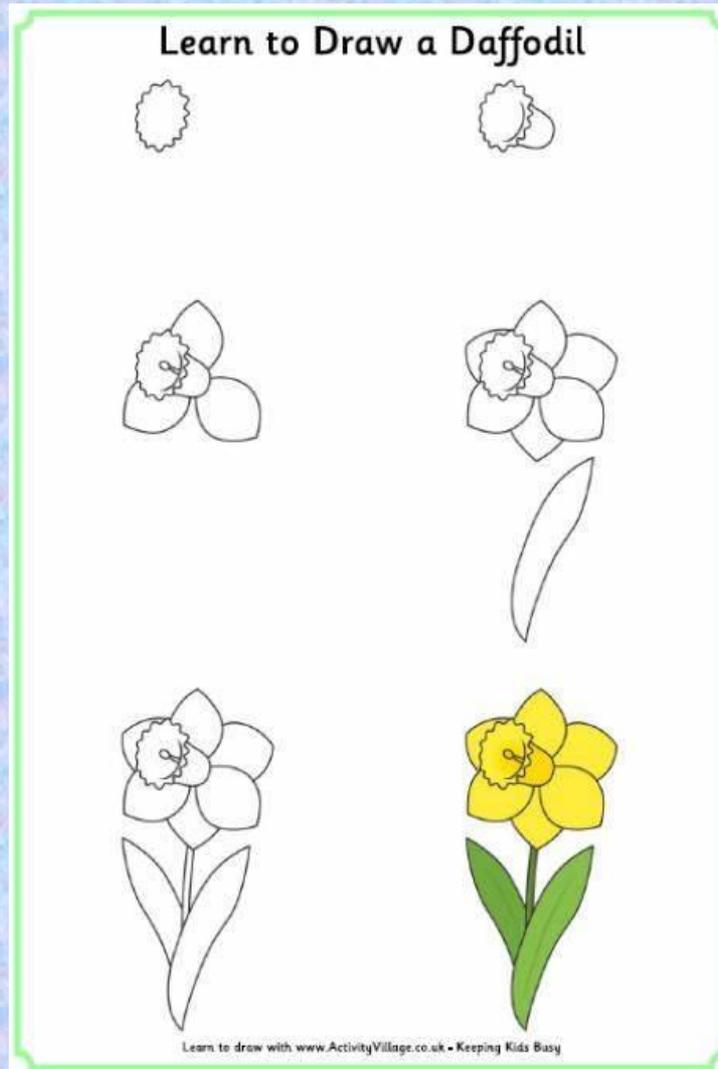

signs of new life, animals, flowers,
changes in day length.

Can you see blossom on the trees?

Amazing artists!

Can you sketch a daffodil and then colour or paint it?

Can you sing our Easter Bunny song?

Can you remember the actions and the tune?

Put your hands at the side of your head and flop your fingers.

Easter bunny's feet are hoppy,

Hop up and down.
