Easter maths

- Can you draw some eggs and make a repeating pattern?
- Make some card Easter eggs and hide them for someone in your house/ask an adult to hide them for you, then have an Easter egg hunt - how many can you find? Who found the most? Use positional language to direct your family to them if they cannot find them. *You could also number the eggs.
 - Make up some addition and subtraction problems to solve eg; - If I had 2 Easter eggs and I found 2 more how many would I now have?
 - If I had 6 Easter eggs and I ate 2 how many would be left?
- Can you complete the counting activity on the next slide?
 First estimate which picture you think there are more of.

Can you count how many chicks, bunnies and eggs there are on this page?

Easter crafts

- Design and decorate your own Easter egg
- Colour in an Easter egg colouring picture or complete some of the lovely Easter craft ideas on the Twinkl website.
- Make some bunny ears (a strip of paper for the head band then add the ears you have drawn)
- Draw or paint an Easter picture you could draw some Easter eggs, chicks, flowers or the Easter bunny.
- Make an Easter basket using an old food box
- Make an Easter card for a friend or someone in your family.
- Learn to draw a chick or a bunny using a simple tutorial on google.
