

Hello Puffins!

I hope you are still doing well and keeping yourselves busy and active.

I have been missing you all and think of you when I see or do something I think you would enjoy. I have been trying to learn some new games to teach you when we are all back together and have found a good hoops game for us to learn in PE, it looks a lot of fun!

I have been working hard putting together activities for you and hope you have been enjoying the tasks in the Home Learning Packs that we put on the website each week.

Check back each Monday for new tasks to keep your brain ticking whilst we are away from school. It is really lovely to see some of the things you have been doing when you put photos on the Facebook page.

In the evenings I have been playing board games with my family– I am getting better at Connect 4, Twister and Battleships! I have also learned a new card game called 'Garbage' and have put it on the 'Week 5 Learning Pack' if you would like to learn it too. I like it because it was easy to learn and you can play with any number of players - it is great fun!

Like some of you, I have been trying to complete my 'Daily Mile' running and walking each day. I was extremely puffed out when I ran for 5 minutes without stopping! I was exhausted and I looked like this:

I was really proud of myself that I didn't give up.

Afterwards I felt more like this:

I am going to be a Resilient Tortoise and not give up!

I hope I will be able to tell you soon that I can do the whole mile non-stop.

Keep doing your best and being you best (and I will too!)

Thinking of you lots

xx Mrs Waller xx

Hello Puffin Class!

I hope you're all staying safe and keeping yourselves busy. We've had some lovely weather lately. Hope you've had lots of fresh air and keeping healthy. It'll be nice to see you when things become a little more normal. Take care and help your family at home!

Love Mrs Hutson

xxx
