Home Learning

Whitsun Fun Pack

Week 8

25th-29th May

Home Learning Ideas

Half Term Holiday Ideas

Here are some activities if you would like some challenges.
You might hear people calling the half term break around this time '**Whitsun Week**'

Whit Sunday is the seventh Sunday after Easter.
This year it is Sunday 31st May

- How many new words can you make from:

Whitsun Week

Make your own rules – decide if you can use the letters once, or more than once?

Treasure Hunt

- When you go outside for a walk, try to find things that begin with the letters in the name of your class:

PUFFIN CLASS

LIGHTHOUSES

SEAGULL CLASS

e.g. **P**...postbox, **U**...uniform, **F**...feather!

To keep it fair, these words have around the same number of letters.
But! You could make your own rules. You could change your word, or decide they have to be spotted in the correct order, or the winner is the fastest person to spot each one.

| | | | | | | | | | | | | | | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|----|---|---|---|---|---|----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|---|---|
| <p>Talent Time: Learn a joke, song, dance, trick, or special skill and hold your own 'We've Got Talent'</p> | <p>Have a scavenger hunt at home. 1st to find 5 things that start with a chosen letter wins. First to put them all back wins the next round!</p> | <p>Recycle something that would have been thrown away.</p> | <p>Do at least one job a day to help your family.</p> | | | | | | | | | | | | |
| <p>TOAS 'Think Of A Sentence' Ask someone to give you 4 or 5 letters. Try to make a sentence with words that start with those letters</p> | <p>Create your own obstacle course.</p> | <p>The Minute Game: Use a timer, Guess how long a minute is. Closest is the winner. Easier: 30 seconds Harder: 2 minutes</p> | <table border="0" style="margin-left: auto; margin-right: auto;"> <tr> <td style="border: 1px solid black; padding: 2px;">0</td> <td style="border: 1px solid black; padding: 2px;">10</td> <td style="border: 1px solid black; padding: 2px;">2</td> <td style="border: 1px solid black; padding: 2px;">8</td> <td style="border: 1px solid black; padding: 2px;">4</td> <td style="border: 1px solid black; padding: 2px;">6</td> </tr> <tr> <td style="border: 1px solid black; padding: 2px;">1</td> <td style="border: 1px solid black; padding: 2px;">9</td> <td style="border: 1px solid black; padding: 2px;">3</td> <td style="border: 1px solid black; padding: 2px;">7</td> <td style="border: 1px solid black; padding: 2px;">5</td> <td style="border: 1px solid black; padding: 2px;">5</td> </tr> </table> <p>Make a set of cards 1 to 10 (with 2 fives) Shuffle, then see how fast you can find pairs to 10. Time yourself. Can you beat your time?</p> | 0 | 10 | 2 | 8 | 4 | 6 | 1 | 9 | 3 | 7 | 5 | 5 |
| 0 | 10 | 2 | 8 | 4 | 6 | | | | | | | | | | |
| 1 | 9 | 3 | 7 | 5 | 5 | | | | | | | | | | |
| <p>Send a postcard or letter to someone who would love to receive one</p> | <p>Ask a helper to make up simple sums with answers from the grid. Take turns to work them out. If you get the right answer 'X' or 'O' it. First to get 3 in a row wins.</p> <table border="1" style="margin-left: auto; margin-right: auto;"> <tr> <td style="padding: 2px;">1</td> <td style="padding: 2px;">2</td> <td style="padding: 2px;">3</td> </tr> <tr> <td style="padding: 2px;">4</td> <td style="padding: 2px;">5</td> <td style="padding: 2px;">6</td> </tr> <tr> <td style="padding: 2px;">7</td> <td style="padding: 2px;">8</td> <td style="padding: 2px;">9</td> </tr> </table> | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | <p>Go on a walk. Spot as many things that begin with the same letter as your name.</p> | <p>Fun Phonics Game 1 player ACTS out an activity or animal that starts with a sound and the other children have to guess what sound it is. For example, they say "is it 'ch' for chicken?" and the child acting out says "yes" or "no"</p> | | | |
| 1 | 2 | 3 | | | | | | | | | | | | | |
| 4 | 5 | 6 | | | | | | | | | | | | | |

Can you crack the code?

Emoji Code Breaker

Complete the code.

The clues on the next slide could help you solve the code

Emoji Code Breaker

Complete the code using these symbols.

Create your own Code:

Emoji Code Breaker

Write an emoji message to a friend by using a secret code. Use the table below to create 26 different emoji symbols for each letter of the alphabet. Then, using these symbols, write your friends a secret message.

| a | b | c | d | e | f | g | h | i | j | k | l | m |

Draw On My back Challenge:

You need:

2 pieces of paper

Person 1 draws a simple picture step by step on paper taped to Person 2's back.

Person 2 has to draw what they feel on their paper.

How similar do they end up?

Keep it simple! You could draw:

A house, a tree, a heart, a rainbow, a flower, a person, an animal

More people?
More challenge!

If you haven't yet - learn to tie your laces!

Create a National Book Token design!

Your child can win a £10 National Book Token for each of their classmates – and surprise them when we are all back in school!

Your child can create a fabulous National Book Token design while they're learning from home, and they could return to school with National Book Tokens for all! Whether it's their **school crest doodled in ink**, a **pencil drawing of the entire class**, or **something completely different**, 'National Book Tokens' choose one child's design to put on a National Book Tokens gift card every week for seven weeks. Find out more here:
