

Reception and Year 1

Home learning pack

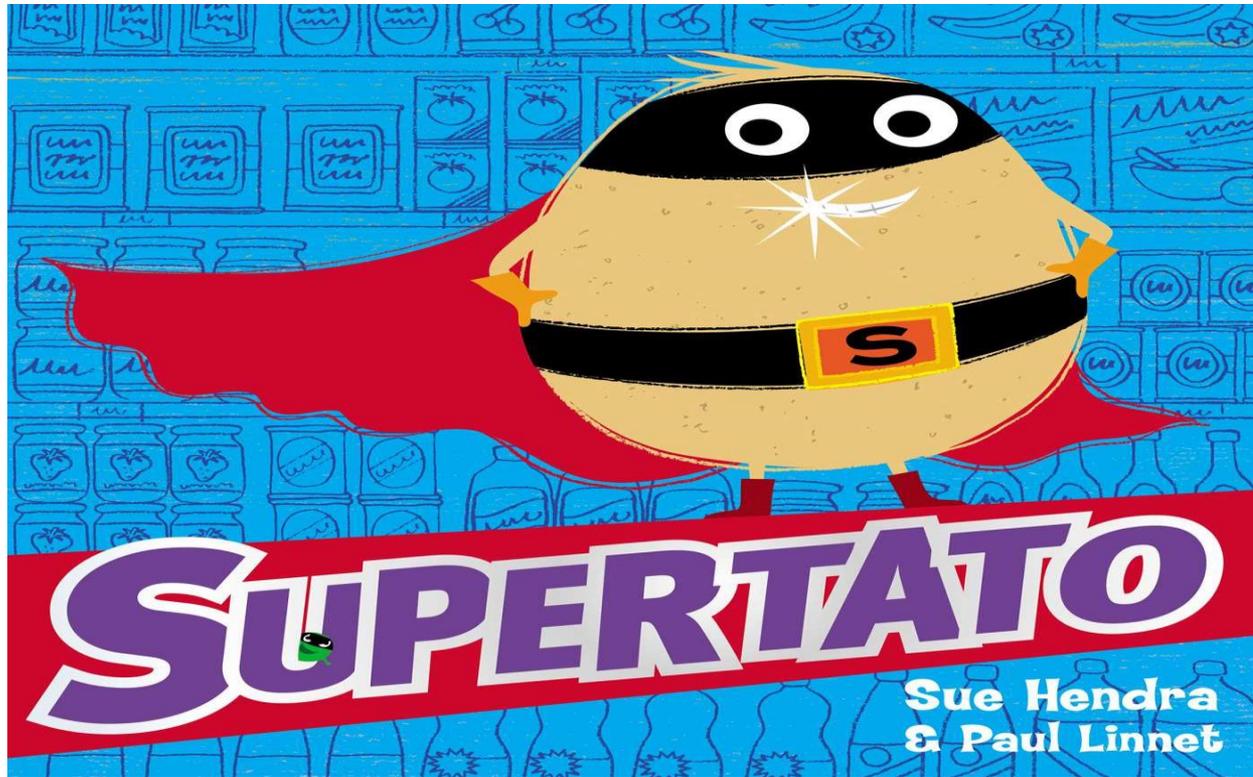

Burlington Infant School

Week beginning 13th July 2020

Story time.....

Over the last few weeks you have all heard of or found out lots about real life heroes, either in the news or if you are in Reception, this has been part of your home learning. Many of you will have joined the 'Clap for Key Workers' too. This week we are all going to enjoy the story of SUPERTATO! This is about a fictional superhero and is one of our favourite stories in school..... the adults love it too!

Keep an eye on the Burlington Infant School Facebook page to listen to the story!

Talk time

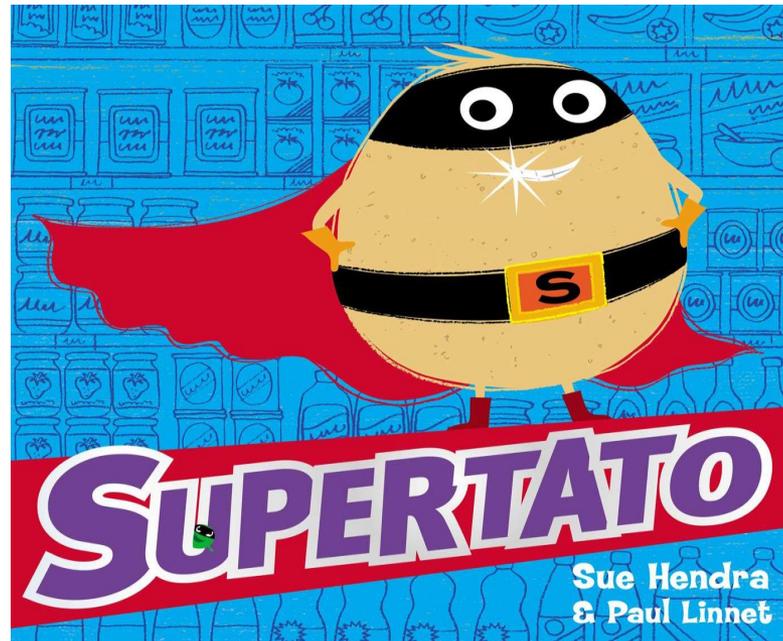

Think about the story. Talk to an adult about the questions below.

What is the title of the book?

Who is the author?

Which is your favourite page? Why?

Do you like this story?

Which is your favourite part? why?

Do you prefer Supertato or Evil Pea? Why?

Can you act out or retell the story?

Reception Reading

Can you help Supertato to read some words? How many challenges can you complete for him? Remember to spot the 'special friends' and then 'Fred talk' before reading each word.

Challenge 1

tip
man
fox
red
fun
leg

Challenge 2

sink
long
rest
flag
brag
shell

Challenge 3

drink
dress
drill
spill
laptop
sunset

Year 1 Reading . . .

Can you help Supertato to read some words? How many challenges can you complete for him? Remember to spot the 'special friends' and then 'Fred talk' before reading each word.

Challenge 1

steep
employ
stay
fright
sign
snow

Challenge 2

foil
about
sprout
nurse
sure
ladder

Challenge 3

throne
bloat
crown
clean
beehive
forest
label

Writing

Can you imagine that you are a superhero? What would you wear? What would you be called? What would your super power be? Who or what would you rescue and save?

Now can you draw a picture of yourself as a superhero and write all about the superhero you!

Writing

For your next writing challenge this week, can you create a WANTED poster for the Evil Pea?

WANTED

Name: EVIL PEA

(draw him here)

Description

Last Seen

Maths time ...

Can you say the next 4 characters in these patterns? Can you create your own? Start with a simple pattern and then a more challenging pattern. You could use objects to print with if you have paint.

Maths time

Supertato and Evil Pea have been doing some Maths! Can you help them to answer the questions?

What is 3 potatoes add 4 carrots?

Can you order these numbers
7, 4, 10

If I start with 10 peas and I eat 4, how many will be left?

Can you order these number
12, 7, 9

What is 7 potatoes add 3 peas?

Maths time . . .

Supertato and Evil Pea have been doing some Maths! Can you help them to answer the questions?

What is 7 potatoes add 6 peas?

Can you order these numbers 14, 20, 16

If I start with 18 peas and I eat 7, how many will be left?

Can you order these numbers 17, 12, 19

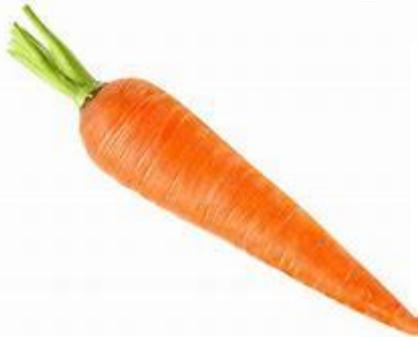

What is 9 potatoes add 5 pears?

Maths time

Can you help Supertato?

How many different ways could you sort these fruits and vegetables into groups? Think about colour, shape, type, shape, likes and dislikes.

Talk time

How important is it for you to eat healthy food?

Name 3 healthy foods.

Name 3 unhealthy foods.

What is your favourite fruit called?

What is your favourite vegetable called?

What is your favourite food?

Find out what fruit and vegetables your family like to eat.

Try this at home:

Can you design a healthy fruit salad to share with your family?

What could you put in it?

Write a list of the fruits you would put in. You could draw and label each fruit too.

Make . . .

Can you make a paper plate Evil Pea?

Can you make a SUPERTATO?

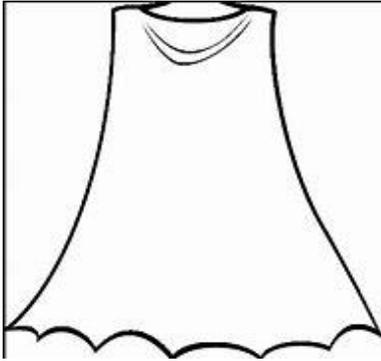

Or a set of characters!

Make . . .

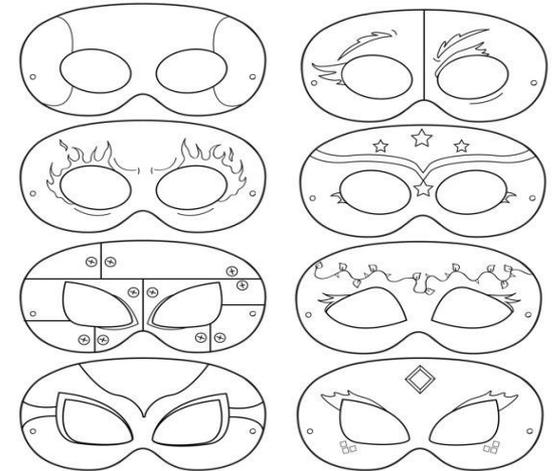

Imagine that you are a superhero. Can you create a costume? Can you design your own superhero cape (don't worry if you can't make a cape, drawing it would be great!)

Can you design and make your own superhero wrist cuffs?

Can you design and make your own superhero mask?

Make . . .

If you are feeling inspired and would like to keep creating, here are few more ideas. You could carry on making these during the Summer holidays!

If you have some lego, wooden blocks or building bricks, you could build a trap for Evil Pea or a home for Supertato.

Remember: Evil Pea is tiny so he could escape through a small space!

Supertato is larger so he will need more space.

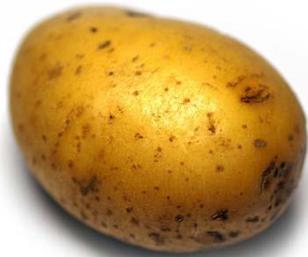

Explore . . .

Try this at home:

Do you think a potato will float or sink? Why?

Test it out.

What happened?

Why?

Try this at home:

If you have some fruit and vegetables spare at home, spend some time exploring them.

What can you see?

What do you notice?

What colours are they?

Are there any similarities or differences in them?

What shape are they?

Do they have skin, peel, stalks, roots, flower, seeds?

Explore . . .

Think carefully about what you already know about plants and flowers.

Could you plant a seed at home and watch it grow?

What do you think fruit and vegetables need to grow?

If you have a sprouting potato in your house you could try to plant it or put it in a jar of water and watch what happens.

Listen . . .

Click on the link below to listen to listen to another Supertato story;

'Supertato Veggies Assemble.'

Music

Singing is a great way to make you feel happy and relaxed!
Enjoy singing some of these songs from [twinkl.co.uk](https://www.twinkl.co.uk)

One Potato, Two Potato Song

One potato, two potato, three potato, four,
Five potato, six potato, seven potato, more,
Eight potato, nine potato, now we've got all ten,
Let's put our potatoes back and count them up again!

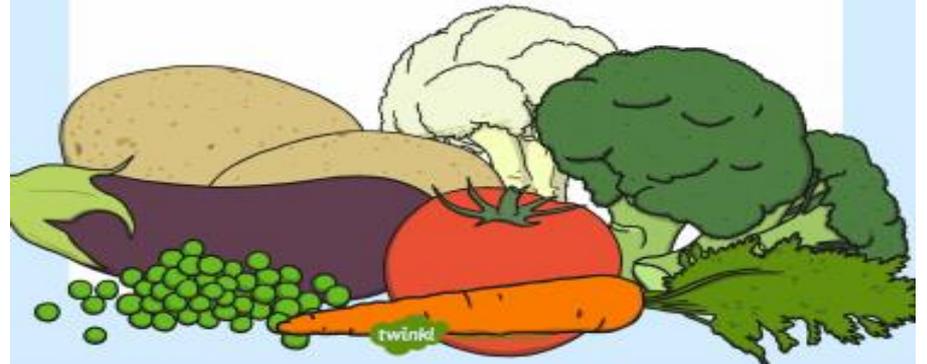

One potato, two potato, three potato, four,
Five potato, six potato, seven potato, more,
Eight potato, nine potato, now we've got all ten,
Let's put our potatoes back and count them up again!

Vegetables Song

(Sing to the tune of 'Head, Shoulders, Knees and Toes!')

Sprouts, carrots, peas and beans,
Peas and beans,
Sprouts, carrots, peas and beans,
Peas and beans,
And onions and corn and potatoes too,
Sprouts, carrots, peas and beans,
Peas and beans!

Stay active....

Staying active is such great fun! It's important for both mental and physical health. Try to aim for 60 minutes of physical exercise each day. This doesn't need to be all in one go but you could go for a walk, play on your scooter/bike, do some jogging and try the activities below.

Try this at home:

Can you make up your own game and get your family involved too? The aim is for the Supertato to capture all of the run away peas!

Have fun joining in with this Go Noodle episode to get you moving.

Mindfulness

Mindfulness can help calm emotions and increase attention.

This activity is called 'Breath Star'

1. Spread one hand out like a star.
2. Use the index finger of the other hand to trace the outline of your star hand.
3. Take a deep breath in as you move your tracing finger to the top of your thumb.
4. Breathe out as you move your tracing finger down between your thumb and first finger.
5. Take another breath as you move to the top of your first finger.
6. Breathe out as you move down between your first and second fingers.
7. Continue this pattern, tracing each of your fingers until you have taken 5 slow, deep breaths.
8. Repeat on the other hand.

Happy Learning!
