Home Learning

Ready for year 3!

There are lots of great resources online for learning over the summer.

Click below for the **Government Online Education Resources** for schools and parents to help children to learn at home.

The screenshot shows the UK Government website interface. At the top, there is a search bar and navigation links for 'Departments', 'Worldwide', 'How government works', and 'Get involved'. Below this, a yellow arrow icon points to 'Coronavirus (COVID-19) | Guidance and support'. The breadcrumb trail reads 'Home > Coronavirus (COVID-19) > Education and childcare during coronavirus'. A grey box indicates it is 'Part of Education and childcare during coronavirus'. The main heading is 'Guidance Online education resources for home learning'. The introductory text states: 'Online educational resources for schools and parents to help children to learn at home during the coronavirus (COVID-19) outbreak.'

<https://www.gov.uk/government/publications/coronavirus-covid-19-online-education-resources>

You will find ideas for English, Maths, Science and the Broader Curriculum.

Treasure Hunt

- A few weeks ago you had this challenge:
- When you go outside for a walk, try to find things that begin with the letters in the name of your class:

PUFFIN CLASS

LIGHTHOUSES

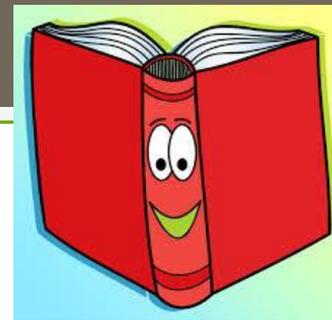

SEAGULL CLASS

e.g. **P**...postbox, **U**...uniform, **F**...feather!

CAN YOU MAKE UP YOUR OWN RULES AND COME UP WITH YOUR OWN IDEAS FOR A TREASURE HUNT? Could you make a list of things to search for? Have Fun!

Reading

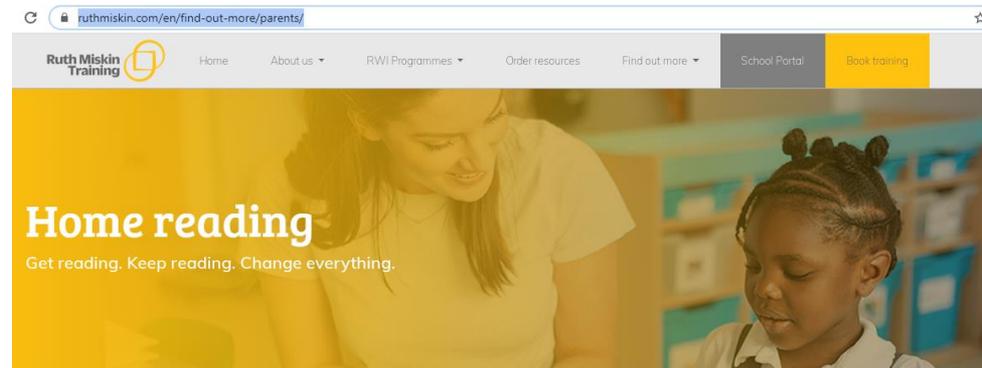

A Top Priority! Ready for Y3

Phonics and Reading are so important and support the whole of the curriculum. To help keep learners on track and to support with gaps in knowledge and skills, click below for some helpful sites to promote Reading.

At school we use 'Read Write Inc' to support our Phonics and Reading. Find out more here:

Primary parents

Free activities and tools for
parents during school closure

As providers of resources and school assessment to schools across the UK and worldwide, we know how important it is to continue learning when children can't be in school.

However you're planning to approach homeschooling or remote learning, we have free tools and activities, approved by UK primary schools and specific to your child's year group. From homeschool planner timetables to pick-your-own, you'll find tools and activities used by thousands of school children across the country.
