

Burlington Infant School – Proposed PE and Sports Premium Funding 2021-2022

The P.E. and Sport Premium is designed to help primary schools and can only be spent on provision of P.E. and sport in schools. It is to be used to improve the quality of the P.E. and sport activities within schools.

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, **of which 30 minutes should be in school**
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

At Burlington Infant School, we are committed to providing access to a wide and varied range of PE and Sporting opportunities during PE lessons, at our after school sports clubs.

Please note, COVID restrictions and the national lockdown from Jan-March 2021 disrupted some of the sports activities and events outlined in this plan.

These are being resumed, as and when safe, as the country moves out of lockdown.

Academic Year: 2020/2021	Total fund allocated: £17510	Date Updated: 23 rd September 2021		
Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps
