Summer Term Newsletter 4

Dear Parents, Carers and Governors,

We have had a lovely start to the final half term of the school year. The Climbing Wall was a great success. The children (and staff!) were amazing and showed great resilience and determination when climbing and I was so proud of how encouraging they were to each other during the sessions.

Kindness Week

We have been talking to the children about how kindness can be shown through words and actions and to everyone, not just our friends and family. Every class has made a 'Kindness Flower' - the petals have sentences to celebrate the kindness being shown by the children. We have been really pleased with their thoughtfulness.

30 Days Wild

We are participating in the UK's biggest and best nature challenge '30 Days Wild,' organised by the Wildlife Trust. This involves using nature and experiencing the joy of wildlife to carry out random acts of 'wildness' every day for the month of June. We are taking part in activities such as, planting seeds, going on bug hunts, looking for shapes in clouds and reading outside.

Thank you for the photographs of the 'wild' activities the children have been doing so far - some are on the display in school. Please keep sending the pictures to school via Class Dojo (Y1 & Y2) or Tapestry (Reception) or to the school email address.

Spare Uniform

We would be grateful if you could donate to school any uniform, including shoes and wellies that your child has grown out of. We are particularly short of trousers at the moment but any uniform would be useful to us.

Warmer Weather (we are still hoping this will come!)

During warmer weather, please apply waterproof sun protection cream (SPF 30+ or higher) to your child before school and if you'd like your child to re-apply their sun-cream again at lunchtime, please send a named bottle into school. Children should bring a sunhat (named and preferably with a back flap) for playtimes, lunchtimes, outdoor activities and after school clubs. Also, please send your child with a coat in case the weather changes during the day.

Water Bottles (on sale in school for £1.60)

We have been praising the children who bring water, rather than juice to school as part of our ongoing work about 'Keeping Healthy.'

Thank you for your co-operation with this.

Just a few reminders:

- If your child is unavoidably absent due to illness, then please call the school office on **Tel: 01262 673858** on the first day of absence rather than contacting your child's Class Teacher via Class Dojo or Tapestry.
- Please could you remember to let us know if anyone different is collecting your child from school.
- We have spoken to the children about the importance of walking with their scooters/bikes when the playground is full of people before and after school - unfortunately there have been a number of near-misses recently. We have praised the children who always remember.
- We have had several cases of head lice reported in school recently. Please could all parents/carers check their child's head regularly to determine if head lice are present and treat, if necessary. Pharmacists can be very helpful with this.
- Thank you to those parents/carers who park on the roadside rather than using the very busy staff car park.
- For safety reasons, please could children wear small studs rather than hooped earrings to school. Please remember that necklaces and bracelets should not be worn for school.

Please see the attached Curriculum Overview Sheet which outlines what the children will be learning about during the coming weeks. Please don't hesitate to contact us with any queries you may have.

Yours sincerely,

C. McClarron

Mrs Catherine McClarron
Headteacher

Dates for diaries - Summer Term 2024

Monday 17 th June	Full Governing Body Meeting Please call into the Office if you would like any information about becoming a Governor
Tuesday 18 th June	Year 2 Lego Science Day (in school)
