

Maths

- Counting, ordering and writing numbers to 100
- Recognising the 'tens and ones' in a number
- Adding and subtracting numbers within 100
- Continuing to develop our problem solving and reasoning skills

Science

- Matching animals to their offspring
- Creating lifecycles for different animals
- Describing the basic needs of animals for survival

Geography

- Naming and locating the seven continents and five oceans
- Locating hot and cold areas of the world, in relation to the Equator
- Using maps, atlases and globes

English

- Daily 'Read Write Inc' sessions to develop our reading skills
- Learning how to use punctuation correctly—full stops, exclamation marks and question marks
- Use adjectives to add description to our writing

Year 2 - Autumn Term 1 Curriculum Overview

Music

- Sing songs, mark a beat and play different rhythms

Art

- Learning about Vincent van Gogh and creating our own art in his style
- Drawing a self portrait—thinking about shading

Computing

- Learning about different technology and the uses of it
- Understanding how to use technology safely

PE

- Developing balance, coordination and agility
- Improving our ball skills

RW

- Thinking about right from wrong
- Listening to different faith stories
- Learn about different religions rules

Ways to help at home:

- Read with your child as often as possible
- Access homework tasks on the weekly homework letter

Thankyou
The Year 2 Team

PSHE

- Recognising different emotions
- Learning ways to keep safe
- Caring friendships—what makes a good friend?
