Spring Term Newsletter 2

Dear Parents, Carers and Governors,

This week has been Children's Mental Health Week. The children have been thinking about ways to support themselves when feeling different emotions and they have been getting to know themselves better by learning about their personalities.

Reverend Neil visited us in school on Tuesday. He talked to the children about resilience and told the story of The Hare and the Tortoise. Next week in school, the children will be discussing ways to help themselves grow and achieve more by being resilient.

On Thursday, the Year 1 and 2 children attended an online interactive storytelling workshop to celebrate National Storytelling Week. They enjoyed listening to stories and imagining their own magical world!

Next week, we will be taking part in Safer Internet Day and supporting the children how to be safer online.

Reminders:

Please can your child(ren) bring their water bottles to school every day.
Please could children wear stud earrings to school. Thank you.

If your child has grown out of any uniform, we would welcome any donations to use as spares. Many thanks.

Extra-Curricular Activities

These will be happening as normal for the final week of the half term.
